ZL2VH Newsletter – October 2016

President's Report

This month we have a bit on. Our main event is the Upper Hutt Little City Big Bash where we have been invited to set up a display in the Main Street. (Last Saturday in October).

We intend to have the caravan there with some radios and some NZART pamphlets etc. Volunteers would be appreciated.

To enable us to use the caravan, some work is being undertaken on it, such as getting the WOF and EWOF done as these have both lapsed. The caravan needs a tidy up and some work to the power set up.

Also this month is the annual Manawatu Sale at Longburn next weekend, and JOTA a couple of weeks after that.

Simon Morton from Radio NZ works on 'This Way Up – slices of life for curious minds, a weekly show broadcast on RNZ National. Here's their web page: www.radionz.co.nz/thiswayup. He says:

"I'm keen to have a chat about the Upper Hutt Amateur Radio Club, with a view to producing a story on the club and some of its members".

I have replied and suggested he comes down on a **Friday** evening and we could possibly take him up the hill to show him our area and equipment.

There is still no mention about the proposed Repeater Licence fee increase from RSM, so we may get in under the radar this year.

Remember we meet every **Friday** evening at 7.30 pm. The more the merrier!

73's and good DX
