ZL2VH Newsletter – November 2018

President's Report

Nothing from Mike this month, but a few items lined up for next time

Branch 63 Repeater Update

Nothing much to update. Now summer has arrived we need to plan some working bees to replace the batteries and replace the earth stake at the North hut.

From the Editor

Apologies to all for the late issue of this newsletter and for the minimal content. I have been waiting for input, which has not been forthcoming in time to get this issue out earlier.

Malcolm ZL2UDF has submitted a couple of articles but I have not been able to include them for “technical reasons”. (That’s a good term to use!). Sorry Malcolm.

Hopefully we’ll all be back on track next month. In the meantime, please remember.....

We are always looking for articles to fill the pages of newsletter. Please forward anything, no matter how large or small, to the editor - Eric ZL2SET – ericwilby@gmail.com.
