## ZL2VH Newsletter – May 2019

### President's Report

Now it's May and the AGM has been and is gone for another year. Thanks to those who attended, our numbers are slowly falling with members leaving the area, finding other hobbies or preferring to do their own thing. Other clubs and clubs in other countries are finding this as well. There doesn't seem to be an easy fix for this. Advances in technology are overtaking our hobby on a daily basis.

Now for the important bits.....subs remain at \$50 for the year, I'm still the President, the committee is the same and Mark ZL2UFI is our delegate at the National AGM in June.

The financial report, AGM minutes and my report will be sent out within a couple of weeks.

## Treasurer's Report

It's pleasing to report that most of this year's subscriptions are in.

If you haven't received your invoice, please let me know in case I have your email address wrong. (The Treasurer's email list is not derived from the Mailchimp newsletter list).
